AMUNDI FUNDS BOND GLOBAL EMERGING BLENDED - OFE
A Sub-Fund of the SICAV AMUNDI FUNDS
ISIN code: (D) LU1600318676
This UCITS has appointed Amundi Luxembourg SA, an entity part of Amundi group, as its Management Company

Objectives and Investment Policy
The objective of the Sub-Fund is to outperform the reference indicator composed to 50% of 'JP Morgan EMBI Global Diversified Euro Hedged' index and to 50% of 'JP Morgan ELMi+ index (denominated in local currencies and converted in EUR)' over an investment horizon of at least three years after taking into account charges.

To achieve that objective, the Sub-Fund invests at least 50% of its net assets in debt instruments issued or guaranteed by governments or government agencies of developing countries or issued by corporate issuers of developing countries. The Sub-Fund may also invest in financial instruments whose value and income payments are derived from and collateralized (or "backed") by a specified pool of underlying assets ('asset-backed securities'). The use of financial derivatives instruments will be an integral part of the investment policy for arbitraging, hedging against and/or overexposing to risks of interest rates, credit and volatility. Currency derivatives will exclusively be used for hedging purposes. The combination of 50% of 'JP Morgan EMBI Global Diversified Euro Hedged' index and to 50% of 'JP Morgan ELMi+ (EUR)' index represents the reference indicator of the Sub-Fund. However, the Sub-Fund does not aim to replicate the reference indicator and may therefore significantly deviate from it.

The distribution share pays dividends in September of each year.

The minimum recommended holding term is 3 years.

Shares may be sold or redeemed (and/or converted) on any dealing day (except otherwise stated in the prospectus) at the respective dealing price (net asset value) in accordance with the articles of incorporation. Further details are provided in the prospectus of the UCITS.
